Personal Care

Our personal care neighborhoods have aged over the years and are in need of upgrades to make them more attractive and useful spaces.

1. New, comfortable seating suited to older adults for atrium	\$5,500
2. Atrium water feature	\$750
3. Atrium art work	\$500
4. New furniture for new Nissley living room	\$6,000
5. New furniture for new Nissley activity room	\$4,500
6. New furniture for Main Personal Care lounge	\$6,000

Cathedral Hall

Residents and visitors really appreciate the common area renovations made recently. A few remaining touches are needed to make them say, "Welcome"

1. Art work for corridors and lounge	\$1,500
2. Activities cart	\$250
3. Upgrades signage	\$500

Health Care

The areas already renovated are receiving rave reviews from residents, families, and employees. These areas also need some final touches to make health care like home and more functional for residents, visitors and staff.

1. Weight scale with wheelchair accessibility	\$1,700
2. Dining room furniture and accessories (2)	\$4,700
3. Electric fireplaces for new living rooms (2)	\$1800
4. Furnishings for the new outdoor covered patio and secure garden for the new lower level care neighborhood	\$6,000

Exercise Room

We have made several upgrades in our cardio equipment which have been very well received, bringing an increase in users. Now, further additions to this space will enhance residents' and employees' workout experience.

Exercise Room Continued
