***Presenting: Herald Brass***

You won't want to miss the Saturday Night Alive concert on Saturday, March 16, at 7 p.m. in Fellowship Hall, featuring HERALD BRASS, an instrumental ensemble featuring inspirational Christian music, as well as patriotic, light classical, and secular tunes.

The Herald Brass was formed in 2003 when its founder, Douglas Enck, was invited to bring a brass group to Turkey for a cultural exchange. They had so much fun playing together as they prepared for and traveled to Turkey that they decided to stay together.

Since that time, several members have changed, but the Lancaster County group still enjoys its original purpose - to play together for the glory of God.

Please stay for delicious refreshments and good fellowship following the concert.
