

2024 Benevolent Benefit Dinner

Dear Friend of Calvary Fellowship Homes,

For more than six decades, Calvary Fellowship Homes has made it our mission: *to serve senior adults by enriching their lives in a manner that glorifies our Lord Jesus Christ while maximizing their quality of life.* One of the most important aspects of our mission is providing benevolent care to residents who are unable to afford the full cost of their services. The benevolent care we provide comes in two forms: (1) direct benevolent care to assist residents with their monthly fee and quality care; and (2) covering the difference for healthcare costs that are not reimbursed by Medicaid/Medical Assistance (MA). As shown in the table below, the actual and projected cost to fund our mission is significantly increasing each year and we need your support! By attending our 2024 Benefit Dinner on April 22nd at Calvary Church, you can help us continue our mission of providing quality care and peace of mind to the residents of Calvary Fellowship Homes. 100% of your donation will go toward providing benevolent care to our residents. **Will you join us in our mission of providing benevolent care by helping us reach our \$100,000 goal?**
